THE FOOD PANTRY AT NC STATE

## **WE NEED YOU!**

### **Help Restock the Shelves after a LONG Winter Break!**

As a larger number of faculty, staff and students return to campus, the needs of The Pack will increase. Money is tight after the holidays, donations slow down, and food pantry shelves become empty. **Will you consider supporting Pack Pantry during the month of February to help us fill the shelves?**

To share the love this February ♥, check out the **Feed the Pack Pantry** [WEBSITE](#) for multiple ways for you to support The Pack.

**We CAN do this!**

*Effort supported by the NC State Council on the Status of Women.*
